

Information Security at the Automation Supplier

11-11-2021

CONNECTING PEOPLE • AUTOMATION & IT

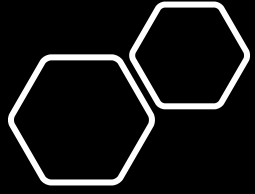

Program

| | |
|-------------|---|
| 09:00-09:05 | Introduction |
| 09:05-09:45 | Emerson Finn Olsen |
| 09:45-10:25 | Rockwell Automation Clive Barwise & Mads Laier |
| 10:25-11:05 | CGI – Procos Kim Visby |
| 11:05-11:45 | Siemens Morten Kromann |
| 11:45-12:25 | Schneider Electric Rennie Graham & Peter Fuglsang |
| 12:25-13:00 | Mitsubishi Electric Frederik Kok |

The Automation Suppliers are asked to answer the following questions:

1. What do the automation suppliers do to secure their equipment in relation to IT security.
2. IT policies in relation to the OT environment - Supplier vs. Customer
3. OT / IT security strategy
4. Quality assurance
5. Password policy
