

Digital Connectivity in Manufacturing

TSN – MQTT – OPC UA - ODVA

Siemens A/S, Ballerup

The seminar has been prepared in cooperation with the following companies and organizations

Dagens Agenda

- | | |
|---------------|---|
| 09.30 - 09.35 | Velkomst og introduktion
<i>Carsten Nøkleby, SESAM-World</i> |
| 09.35 - 09.50 | Introduction to Siemens
<i>Per Møller Hemmingsen, Siemens</i> |
| 09.50 - 10.15 | Connectivity – what is the problem today?
<i>Carsten Nøkleby, SESAM-World</i> |
| 10.15 - 11.00 | TSN in relation to Profibus and ProfiNet
<i>Karsten Schneider, Profibus Foundation</i> |
| 11.00 - 11.30 | Pause & networking |
| 11.30 - 12.15 | OPC UA in relation to TSN and other communication protocols
<i>Stefan Hoppe, OPC Foundation</i> |
| 12.15 - 13.00 | IT security on high-speed data communication protocols
<i>Søren Egede Knudsen, Ezenta</i> |
| 13.00 - 13.45 | Frokost og networking |

Dagens Agenda

- 13.45 - 14.30 **Protocol overview**
Anders P. Mynster, FORCE Technology
- 14.30 - 15.15 **TSN and ODVA**
Pascal Hampikian, Schneider Electric
- 15.15 - 15.30 **Pause & networking**
- 15.30 - 16.15 **MQTT – A protocol for communicating with your things.**
Brett Cameron & David Brinnen, Energy Machines
- 16.15 - 16.30 **Summary and conclusion**
Carsten Nøkleby, SESAM-World

Kommende arrangementer

Dato: April 26th 2018
Sted: Danfoss, Nordborg
Tema: Augmented Reality in Manufacturing – what are the possibilities?

Arbejdsgrupper (for Faggruppemedlemmer):

- GAPP – Forretningsledelse - ønskes information, da kontakt: info@sesam-world.dk
- IT Sikkerhed – ønskes information, da kontakt: info@sesam-world.dk
- PackML & Line Controller – ønskes information, da kontakt: info@sesam-world.dk

GAPP kurser i 2018.

Er I interesseret i et Gapp kursus i virksomheden?
Se mere på www.sesam-world.com eller send en mail til: info@sesam-world.dk
